### MOTHER'S DAY EDITION

Hi, this is Ann Bianco from Macarthur Diversity Services Inc., Community Facilitator, engaged by Landcom to deliver the Garden Gates 'Welcome Program'.

#### A MOTHER'S DAY INVITATION

*Sometimes the young ones  
are lost for what to do  
So make them bring you down  
to the Garden Gates Petting Zoo!*

*Furry animals and turtles for the kids  
Chocolates and laughter for the mums  
Everything is Free!  
So no doing the sums!*

*Why don't you swing on by  
from your big day out.  
It should round the day off nicely  
we have no doubt*

*Go to the Reserve on Aristida Circuit  
for only one hour 2 to 3  
Don't mean to be cliché  
but that's where we'll be*

*Such an easy option  
to stay and watch them play  
So make the little ones smile  
who gave purpose to this day*

We look forward to welcoming everyone to the petting farm.

## YEARLY RAINFALL AT NARELLAN FROM 2000 - 2009

### HEART FOUNDATION WALKING CLUB

Hello, this is Michael the Heart Foundation walk organiser for the Lake Walkers.

As winter is fast approaching we have decided to change the start time of our walk to 9am Sundays departing from the ½ basketball court.

**By the way we will not be walking on Mother's Day, have to cook breakfast!**

The lake is quite beautiful to stroll around but we have also branched off and explored the many beautiful streets in the Estate.

The walk is very social which makes the morning a real breeze!

### FUNNY PREGNANCY Q&A

**Q: Should I have a baby after 35?**

**A: No, 35 children is enough.**

**Q: I'm two months pregnant now. When will my baby move?**

**A: With any luck, right after he finishes college.**
