MDSI recognised for Quality Management

MDSI has had its quality management system certified to ISO 9001 by SAI Global. MDSI has successfully achieved all the requirements of the world's most recognised business management standard.

Chairperson Dr Alf Colvin said "MDSI embarked on implementing a quality system 2 years ago, at the conclusion of a rigorous and challenging process MDSI is now fully accredited as a quality driven community service organisation".

Internationally recognised the Standards Mark™ is a mark of quality, licensed to organisations that have met the rigorous requirements of the ISO 9001 Quality Management Standard.

Staff and management participated in the continuous improvement process which ensures that the quality system is kept realistic and relevant to community services.

"Our consumers are able to instantly recognise that MDSI is committed to meeting and maintaining world standards for quality, continuous improvement, and customer satisfaction" added Ms Karin Vasquez Executive Officer of MDSI.
